After all, it's local production for local consumption lol

The best part of a business trip is to enjoy the local gourmet food of the area, so I make it my top priority when I go on a business trip.I happened to be searching near my hotel when I came across this place and decided to visit with a colleague. ... [see details](#)

Morioka City Vegetable Garden “Micro Brewery with Kitchen”

Beeren's beer is most likely enjoyed by Morioka residents who love beer. This store has many regular customers. I get the impression that the staff and customers are all familiar with each other. However, the food and beer... [See details](#)
